- Cohort 4 refers to students in their first semester

SYNOPSIS:

NAMA LAX : **LAX 2005 Karaoke in English**

NILAI MATA LAX : 6 (2 jam x 6 minggu)

DESKRIPSI : In this activity, students participate in karaoke activities, produce video recordings of their reflections on the songs, and upload video recordings of their performances for a karaoke competition.

In groups of 4-5, students:

- participate in weekly karaoke activities.
- produce a weekly three-minute recording of the group's reflection on the songs; each person must express his/her views,
- produce and upload the group's best performance on to a

dedicated website for a karaoke competition.

PELAKSANAAN : 1. Students meet two hours per week for six weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of project/task

NAMA LAX : **LAX 2011 My Comic Strip**

NILAI MATA LAX : 6 (2 jam x 6 minggu)

DESKRIPSI : In this activity, students plan and produce two comic strips in English. At the end of the activity, students organise an exhibition to display their work.

In groups of 5-6, students:

- discuss and produce two comic strips in English,
- submit and upload the comic strips every three weeks on a dedicated website,
- video record their thoughts on the project.

PELAKSANAAN : 1. Students meet two hours per week for six weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of project/task

NAMA LAX : **LAX 2015 Have Food Will Travel**

NILAI MATA LAX : 6 (2 jam x 6 minggu)

DESKRIPSI : In this activity, students plan and produce video reviews on five places where one can find eateries that are unique, affordable and offer delicious food or drinks.

In groups of 5-6, students produce one video-recorded review every week (from Week 2) on an eatery. Each review:

- should feature two group members as the show hosts,
- should be between 5-10 minutes for each eatery,
- should show the hosts talking about the location, food or drinks and prices, and should feature patrons' comments,
- needs to be uploaded every week onto a dedicated website.

Each group will decide if it wants to upload their best food video review on YouTube.

PELAKSANAAN :

1. Students meet two hours per week for six weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN
PENYEMPURNAAN
LAX :

1. Minimum 80% attendance
2. Participation
3. Completion of project/task

NAMA LAX : **LAX 2019 DIY Project**

NILAI MATA LAX : 6 (2 jam x 6 minggu)

DESKRIPSI : In this activity, students produce instructional videos for DIY (Do-It-Yourself) projects.

In groups of 8-10, students:

- discuss and produce two DIY projects based on any used items or clothes,
- explain and demonstrate every step of each project, and video-record the demonstrations,
- upload the videos on a dedicated website at the end of Week 3 and Week 6.

PELAKSANAAN : 1. Students meet two hours per week for six weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of project/task

NAMA LAX : **LAX 2012 UPM VIMAG**

NILAI MATA LAX : 12 (2 jam x 12 minggu)

DESKRIPSI : In this activity, students plan and produce two video reports of events and/or issues on campus.

In groups of 8-10, students:

- select the events and/or issues to be covered,
- discuss and plan the video content,
- work in smaller teams to cover assigned events and/or issues,

- meet to compile and edit video recordings of the events/issues, and
- upload a video report on to a designated website at the end of Week 6 and the other at the end of Week 12.

The top three videos will be featured on the CALC website as VIMAGs of the Week.

PELAKSANAAN : 1. Students meet two hours per week for 12 weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of task

NAMA LAX : **LAX 2014My Travelogue**

NILAI MATA LAX : 12 (2 jam x 12 minggu)

DESKRIPSI : In this activity, students plan and produce two travelogue booklets. Each booklet contains three interesting places in or around UPM.

In groups of 5-6, students:

- plan and produce two travelogue booklets with pictures of interesting places in or around UPM,
- write a brief description of each place and group members' impressions of it,
- feature the group members in some of the pictures,
- write a caption for each picture, and
- submit one booklet at the end of Week 6 and the other at the end of Week 12.

Selected travelogue booklets may be entered into relevant promotional events and/or featured on the CALC website.

PELAKSANAAN : 1. Students meet two hours per week for 12 weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of task

NAMA LAX : **LAX 2020 Poetry in Motion**

NILAI MATA LAX : 12 (2 jam x 12 minggu)

DESKRIPSI : In this activity, students study selected poems and dramatise them.

In groups of 10-12, students:

- study and discuss at least four selected poems, and video-record the discussions,
- plan and produce a video-recorded dramatisation of each poem, and
- upload the discussion and dramatisation videos onto a designated website.

PELAKSANAAN : 1. Students meet two hours per week for 12 weeks to complete the task.
2. Facilitators monitor student attendance and participation.
3. Venues will be at appropriate locations.

KEPERLUAN : 1. Minimum 80% attendance
PENYEMPURNAAN : 2. Participation
LAX : 3. Completion of task
